

Celebrate Corvallis Nomination Form

Thank you for taking the time to nominate a business or individual for their outstanding contribution. This event would not be the special event that it is, without great people like you, taking the time to help us recognize the achievements and service of others.

For sixty-nine (69) years, the Corvallis Chamber has recognized citizens and businesses for their outstanding achievement in business and in the community. Celebrate Corvallis awards are divided into three (3) categories, Business Awards, Community Awards and Civic Awards. Each award is based on five (5) objective criteria.

Selections are made by five (5) committees, in December and January of each year and awards are announced at the annual award ceremony held in January.

Organizations or individuals may make up to two (2) nominations total.

It is very important that you review the following information carefully. We want to make sure every person or business is nominated for the appropriate category. The questions and selection criteria vary for each award.

Each award has five (5) key criteria used to select the winner in each category. Nominating forms (sent to the nominees) address each of these criteria. The selection committees evaluate each candidate based on the identified criteria assigning a point value.

If you would like to see an explanation of any award or the selection criteria used to determine recipients, please go to www.celebratecorvallis.com, then navigate to "Award Criteria" under "The Process."
